

# METROPOLITAN BUSINESS ACADEMY

August 17, 2024

Greetings Metro Community,

A warm welcome to all new and returning families to the start of the new school year. It is my pleasure to welcome Adham Conaway, Assistant Principal. Read more about Mr Conaway on the school's website.

Metro's orientations are August 21st and August 22nd at 6pm. Good News! This year, orientation forms can be completed online. Please visit [NHPSOrientation.net](https://www.nhpsorientation.net) and follow the directions to review and sign all necessary forms for Metropolitan Business Academy.

Every day is an opportunity for our students to learn and develop skills for a bright future. Every day matters in our students' education. By supporting the great work of our teachers and staff, we help ensure Metropolitan graduates students who have essential skills, pronounced care for the city, and can look back on a high school experience of deep learning and joy.

Metropolitan is a college preparatory high school that follows the principles and practices of mastery based learning. A Metro graduate completes course work centering 21st Century Competencies, participates in student-led conferences, and graduates with a senior portfolio that can be used as a supplement for college applications.

Students at Metro choose an academy in the Spring of their freshman year.

- Business & Communications
- Digital Media and Technology
- Education and Leadership
- Law, Leadership, and Political Science

We know that high quality and rigorous instruction can take many forms. Metropolitan Business Academy is in the business of teaching and learning and our students' learning is our top priority.

Metropolitan is committed to offering students opportunities to apply its core values of Innovation, Integrity and Involvement through project-based learning, modern technology, student leadership positions, internships, and community service.

I look forward to working in partnership with you to uphold qualities that define Metro and to build on a school culture that nurtures, prepares and inspires students to become self directed 21st century learners on their journeys to excellence.
